

1	Identification of the preparation	HOY HOY TRAP-A-ROACH Killgerm Chemicals Ltd, Denholme Drive, Ossett, West Yorkshire, WF5 9NA. Tel: +44 (0)1924 268450 Fax: (0)1924 265033 Email: technical@Killgerm.com		
	and the supplying Company			
2	Composition and information on	Active Ingredients: None		
	ingredients	Composition: Food grade	e attractants and glue on a board.	
3	Hazards identification	Not classified as hazardous.		
4	First Aid measures	Ingestion:	Wash out mouth with water. Get medical advice.	
		Skin contact:	Wash with water.	
		Eye contact:	Wash with water for 10 minutes. Get medical advice.	
		Advice to doctor:	Treat symptomatically.	
5	Fire-fighting measures	Extinguishers:	Wear self-contained breathing apparatus (forms toxic fumes in a fire). Use dry powder or carbon dioxide extinguishing agents.	
6	Accidental release measures	Spillage (containment and	Wear gloves. Shovel into a marked container and dispose of via a waste	
-		disposal):	disposal contractor or contact supplier for advice.	
7	Handling and storage	Precautions in use: Pla	ace out of reach of small children and domestic pets because cockroaches carry rmful bacteria. Wash hands after handling cockroach laden traps, or wear gloves.	
		No special requirements needed. Storage and transport		
		precautions:		
8	Exposure controls and personal protection	Wear gloves when handling used traps.		
9	Physical and chemical properties	Appearance:	A segmented piece of cardboard 20cm x 25cm with a central panel covered with a sticky, insect trapping layer. A yellow polythene pack containing a white bag which holds the special bait – this consists of protein base.	
		pH:	Not applicable.	
		Flash point:	Not applicable.	
		Flammability:	Product will burn in a fire. Not itself a fire hazard.	
		Bulk density:	Not applicable.	
		Solubility:	Not applicable.	
		Odour:	Slight.	
		Incompatibility:	Not applicable.	
10	Stability and reactivity	Not a reactive preparation.		
11	Toxicological information	Routes of entry/symptoms of contact:		
			trap has been handled or chewed by a child and ingestion is suspected, the main danger arises from the	
		bacteria carried by any cockro	aches on the trap.	
12	Ecological information	No adverse effects expected.		
13	Disposal considerations	Empty containers:		
	•	Unused/recovered materials:	Dispose of the Hoy Hoy Trap-a-roach by folding and placing in a refuse bin.	
		Waste classification:	Non-hazardous.	
		EWC Code:	15 01 01 (paper and cardboard packaging).	
		N - 4 - 1 16 1		
14	Transport information	Not classified.
